Statement Notes:

#### Offense Narrative

On 07/09/2011 at approximately 1340 hrs I was dispatched to the central screening checkpoint at the Nashville International Airport for report of a passenger that was refusing screening. Upon my arrival I made contact with the subject, identified as Andrea Abbott, and her daughter. Andrea Abbott was involved in a verbal argument with TSA Screeners and regarding further screening of her daughter. Abbott was being verbally abusive toward the TSA screeners, stating her daughter would not be "touched inappropriately," would not have her "crotch grabbed," and would not be subject to further screening. I advised Abbott that she and her daughter would have to comply with the screening procedures or they would be escorted out of the secure area. Abbott then became verbally abusive toward me as well as the TSA screeners. I again advised Abbott to calm down and that she would have to be screened or her she and her daughter would not be allowed to continue down the concourse. Abbott eventually allowed her daughter, to be patted down by TSA screener. During the screening of, Andrea Abbott attempted to retrieve her cell phone to take pictures.

and/or film the process. I advised Abbott to put her cell phone away and not disturb the process any more than she already had. Abbott again became verbally abusive towards me. During this time, I advised Abbott she was disrupting the screening process and flow of passengers through the checkpoint. Abbott was being loud and belligerent, drawing attention to herself and her daughter. I advised Abbott numerous times to calm down or she would be placed under arrest. Abbott would calm down for a moment, but would again become loud and belligerent. After was patted down, TSA screener advised Andrea Abbott she would have to be screened as well to continue escorting her daughter down the concourse. Abbott stated loudly "this is bullshit" and again was verbally abusive toward TSA and me. I placed Abbott under arrest for Disorderly Conduct (TCA 39-17-1305). Abbott was transported to Metro booking by myself and Officer Waterston where Judge Carolyn Piphus signed Warrant GS545617 and set bond at \$1000.00.
